

Package A

Proofreading

Proofreading is about getting rid of any cosmetic errors. It is usually the last step in the writing/editing process. It's not meant to be comprehensive. Proofreading is about doing a last run-through to catch any surface issues.

- **Price Range:** \$100-\$300
- **E-book and Paperback Formatting Included*

Package B

Copy Editing

Copy Editing is about improving style, formatting, and accuracy. Copy editing is about making sure there aren't inconsistencies, and that the style flows well—in addition to being grammatically correct.

- Includes **Package A**
- **Price Range:** \$200-\$500
- **E-book and Paperback Formatting Included*

Package C

Content Editing

Content Editing is more intensive. You might need to add things that were left out, or re-write sections of content. This takes copy editing to the next level and can include some level of content creation along with making corrections.

- Includes **Package A and B**
- **Price Range:** \$300-\$800+
- **E-book and Paperback Formatting Included*
